

Article number: 206153M5KSPFB

Description: E+G spring plungers 615.3-M5-KS-PFB

## Measures

Thread locking **PFB**  
Polyamide patch  
for type **K**

Thread locking **PFB**  
Polyamide patch  
for type **KS**

Thread locking **MVK**  
Micro encapsulation precoat  
(for all types)

|                              |       |
|------------------------------|-------|
| A/F                          | = 2.5 |
| d1                           | = M5  |
| d2                           | = 3   |
| l                            | = 14  |
| Max. spring load in N        | = 22  |
| Preload spring pressure in N | = 15  |
| w                            | = 0.9 |
